**MEMORANDUM FOR: Director of Training**

ATTENTION : Historical Officer

**SUBJECT : Clandestine Services History**

1. I am attaching hereto a copy of a Clandestine Services historical paper [REDACTED] which would seem to pertain to the history of the Office of Training. 25X1A6a

2. Would you please review this paper to determine if it should be incorporated into the Office of Training history either as is or as the basis for a more complete paper on the same subject. I would appreciate receiving your comments on this by 8 March 1968.

Att

Copy No. [REDACTED] History returned to [REDACTED] on 14 March 1968 with the following comment: In answer to your question about OTR interest in the [REDACTED] history I believe that it should be incorporated into OTR history. I further feel that as a history it is rather slim and might well serve as the basis for a more complete paper which would delve deeper into the training aspects and training problems.
